How do I access My Testing History and Results???

AEPA

1. To view **TESTING HISTORY**, reported as PASS/FAIL, one should create an account or log in at Arizona Educator Proficiency Assessments
2. To obtain **additional copies** of test results you need to fill out and mail the attached form. Test Result Request Form
   *** Even though the form states "Additional copies will be available up to FIVE years after the test date" you should be able to obtain a copy after five years.
3. If you took your exam in **1999-2000** please contact Kortney.zesiger@azed.gov

Whom do I contact if I have questions about registrations?
